Sir:

DEPOSIT DECLARATION

I, Danielle Berneman, do hereby declare:

1. That I am a citizen of France.
2. I am the Director of the Office of Patents and Inventions of Institut Pasteur

in Paris, France.

3. On information and belief, a cell line disclosed in this application was deposited at the Collection Nationale de Culture de Microorganismes, Paris, France, under Accession Number I-2671 on May 23, 2001.

4. On information and belief, a cell line disclosed in this application was deposited at the Collection Nationale de Culture de Microorganismes, Paris, France, under Accession Number I-2672 on May 23, 2001.

6. On information and belief, Collection Nationale de Culture de Microorganismes is an International Depository Authority.

7. On information and belief, access to the deposits will be afforded to the Commissioner upon request during the pendency of the above-identified application.

8. On information and belief, all restrictions on the availability to the public of the deposited cultures will be irrevocably removed no later than the granting of a patent from the above-identified application.

8. On information and belief, each of the deposited cultures I-2671 and I-2672 will be maintained or will be replaced should it become non-viable, non-replicable, or contaminated during the period that extends thirty (30) years from the date of the deposit, or the period of the enforceable life of the patent, or the period of five years after the last public request for the deposit, whichever period is longest.

9. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title of 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued therefrom.

Signed this 5th day of July 2007.

Danielle Berneman
Director of Patents and Inventions Office
